**Re: Donoghue v. iTEOS Therapeutics, Inc., 22-cv-4732 (AKH)**  
**Request for Additional Time to Reopen Case Under Conditional Dismissal**

Your Honor:

The above-captioned case was dismissed on December 15, 2022, conditioned on reopening on application by any party within 30 days.

I have been notified by defense counsel that he will need additional time to obtain client consent to settlement terms.

As plaintiff's counsel I respectfully request an additional two weeks to conclude settlement documentation. If this request is not granted I request alternatively that the case be reopened.

This is a first request for this relief.

Very truly yours,

David Lopez
